

The PROXIMUS ASSET MANAGEMENT GMBH is a PROXIMUS REAL ESTATE AG company with its headquarters in Cologne and offices in Berlin. It administers both own investments as well as third-party real estate assets. This also includes the management of properties under the ownership of institutional investors, banks or insolvency administrators.

PROXIMUS ASSET MANAGEMENT GMBH is working along the whole value chain to permanently meet and exceed the requirements of its clients proactively. Services range from developing robust investment strategies to coordination of due diligence processes and portfolio management to the management of rental and transaction related matters.

At this PROXIMUS ASSET MANAGEMENT GMBH focuses to substantially reposition distressed real estate assets, in particular commercial properties with low occupancy rates. PROXIMUS ASSET MANAGEMENT GMBH optimises these assets and, after successful restructuring, returns them to the market.
