

PROXIMUS REAL ESTATE AG

PROXIMUS REAL ESTATE AG is an owner-managed group of companies in Germany with its headquarter in Cologne and a subsidiary in Berlin, focussing on investment, development and asset management operations across Germany.

Managing both investment activities and asset management on behalf of third parties, the company also operates as a real estate investor and property developer in key locations. The PROXIMUS REAL ESTATE AG invests in existing properties with optimization potential located in German Metropolitan Regions. Following the successful redevelopment and repositioning these properties are offered back to the market and to institutional investors. The main goal of PROXIMUS REAL ESTATE AG is to create ecologically and economically sustainable real estate products.

Furthermore the company invests in strategic partnerships and projects that support and contribute to the PROXIMUS REAL ESTATE AG.
